We have audited the Placement Report prepared by Indian Institute of Management, Ahmedabad (IIMA) for the summer internship placements of the students of the 2012-14 batch of the PGP-ABM . The Placement Report is the responsibility of IIMA. Our responsibility is to validate the information provided in the report with the relevant documentation, and comment on the Placement Report's conformance with Indian Placement Reporting Standards (IPRS).

In this context, we confirm the following:

1. For the purpose of the audit, we have obtained all the information and explanations, which to the best of our knowledge and belief were necessary. In our opinion, the Placement Report complies with IPRS.
2. The validation of information presented in the report is based on communication received by IIMA from recruiting companies. CRISIL has not independently sourced any information or documentation.
3. We have verified the information with respect to job function and stipends presented in the report with communication received from recruiters. In some cases, CRISIL was not able to verify the internship location. In such cases, the information shared by students with the institute has been included in the report.
